

To: ODS Community Dental Members in Harney County

Burns Dental Group is no longer in the ODS Community Dental network. This is effective on September 1, 2024.

A new dental office is coming to your area on January 1, 2025. Come back to this website on or after November 15, 2024, for more information.

We have included a list of dentists who can help you if you have any dental needs. You can find this list below. You must see an ODS Community Dental dentist for your dental treatment to be covered.

We are sorry for any issues this may cause you. If you have any questions or need help finding a dentist, please call us at 800-342-0526, TDD/TTY 711 (relay service).

Need transportation assistance?

If traveling to a dental office will be hard for you, please call 1-877-875-4657, TTY 711, for help with transportation

Visit these websites for additional information about transportation.
